Fall's Coming Monday Night

Dame Fall will descend on Pottstown Monday. At 10:24 p. m. daylight time, the new season will make her belated appearance.

With the silent change from Summer to Fall, the bright season of apple cider, the plaid skirt, the corn shock and football will be here again. Soon it will be time to winterize the car, break out the heavy socks and check the doctor about the annual Fall cold.

Pottstonians are hoping yesterday was no sample of Fall. After heavy early morning showers the mercury crawled to the mid 70s late yesterday morning. It was clearing and cooler last night.

Today will be partly cloudy and cool with a high of from 68 to 73. Tomorrow it will be cloudy continued cool with a chance of some rain.

Senior High Holds Class Balloting

Approximately 750 Pottstown Senior High school pupils cast their ballots yesterday to elect class officers for the new school year.

Elected to the presidencies of their classes were William Yohn, Senior class, son of Mr. and Mrs. William H. Yohn, 234 Oak street; Mary Joan Czarick, Junior class, daughter of Mr. and Mrs. Alex Czarick, 246 Henry street; and David Teitlebaum, sophomore class, son of Mrs. Rose Teitlebaum, Pottstown RD 4.

The names of two candidates for each office appeared on the ballots distributed in the 23 home-rooms where the voting took place yesterday morning.

Primary elections Wednesday had eliminated all others aspiring to class office who had been nominated the past Monday.

All the new class officers registered surprise at having been picked and felt it was "a big honor."

Officers of the three classes take office immediately without any formal installation ceremony. Opportunity for the class presidents to exercise the powers of their office will come during meetings of the class cabinets called at the discretion of class sponsors.

The cabinet system at the Senior High school, as explained by Stanley I. Davenport Jr., principal, constitutes pupil representation at each class level for planning class activities.

THE SENIOR, Junior and Sophomore, classes form separate cabinets. (Continued on Page Five)

Living Costs Rise Again To New Peak

More financial problems for Pottstown families were foreseen last night.

The Federal government announced that the cost of living has gone up slightly, setting another record.

It was the third month in a row that a new high had been reached, shown in the cost of living index computed by the Bureau of Labor Statistics.

In mid-August the index stood at 181.1 as compared to 190.6 in mid-July. The BLS uses the average for the years 1935-39 as a base figure of 100.

What this means is that for each \$1 the average family spent on living costs in 1935-39, it now must spend a little over \$1.81 to buy the same things.

Repair Crews Kept Busy on Storm Damage

Telephone and electric crews were busy in the Pottstown area yesterday repairing the havoc of the lightning, the winds and the rain.

Three hundred telephones were knocked out and electric service was interrupted in South Pottstown, Limerick and Linfield when the wall-trembling thunderstorm crashed in from the west during the early hours of the morning.

One of the dozens of pyrotechnic bolts which rocked the area cut an electric wire along Route 29, Perkiomenville RD 1, and a second high voltage blast struck the Green Lane chapel.

Philadelphia Electric company repairmen from Schwenksville were called to the home of J. Clyde Wright, Perkiomenville RD 1, Route 29, where at 3:55 o'clock lightning cut an electric wire in front of the Wright home.

After extinguishing the flaming ends of the wire repairmen left the scene and reappeared later in the morning to replace the damaged line.

Pastor Sees Europeans More Aware of Religion

By FRED C. SELBY
(Mercury Staff Writer)

The tragedy of war and the shadow of Communism have made European Protestant churches "more aware of their mission," it was reported yesterday by a Pottstown area pastor on his return from a two-month trip to Europe.

He is the Rev. Edgar M. Cooper, pastor of New Hanover Lutheran church, whose experiences abroad ranged from making a public speech in an ancient town square to taking a private walk at night through nearly deserted streets of the jittery Russian sector of Berlin, Germany.

The public speech was made by him in the town square of Einbeck, the little town that was the birthplace of Henry M. Muhlenberg, who became the patriarch of American Lutheranism.

The young pastor presented a plaque to the church in Einbeck from the three churches that formed the parish of which Muhlenberg was pastor on his arrival in this country — New Hanover; Augustus, of Trappe, and Zion-St. Michael's, Philadelphia.

These three churches sent the Rev. Cooper abroad as their representative to the Lutheran World assembly held in Hannover, Germany (for which New Hanover is named).

THE ASSEMBLY is of the Lutheran World federation, which represented the 50,000,000 members of the church. A world assembly is held every five years.

While sailing to Europe, the Rev. Cooper polished up his college German, and gave his brief speech in that language to the thousands of townspeople gathered in the quaint old town square.

The young Pottstown area pastor was introduced by Dr. Franklin Clark Fry, New York City, president of the United Lutheran Church in America.

The Rev. Cooper presented the bronze plaque, commemorating Muhlenberg's service to the church, to Bishop Hanns Lilje, Hannover, elected head of the world Federation.

The Rev. Cooper entered the area of the church services being held there in connection with the old town square.

The morning and afternoon services will be interrupted at noon for a light meal of apple butter, bread and butter, and a fellowship hour.

The morning session will begin at 9:30 o'clock with devotional services and a historical sermon by Dr. Elmer E. S. Johnson, editor. (Continued on Page Five)

NOT RISKY NOW Sprinkling Ban's Off

If any timid souls have been dying to sprinkle their lawn but have been afraid of violating the borough ban against such use of water, they can roll out the hose any time now.

Borough Manager Horace Gulden said with a smile that after a night of rain, thunder and lightning which jolted all but the most torpid residents from their beds, yesterday seemed like a good time to lift the ban officially.

Actually, he said, the ban has been a token one for several weeks, although he has been receiving calls steadily from people who wanted to know if they dared get out the hose.

Gulden told them that they could sprinkle the lawn without fear of being jailed since the borough water pressure has climbed day at night in the administrative building.

Preliminary plans were shown to the school board two weeks ago. Since then, several changes have been suggested, most of them aimed at trimming the cost.

DURING THE storm, 1.44 inches of rain fell. The storm started with a bang at 1:30 a. m. Torrential rains stopped quickly, but there be in charge.

Couple Thrown Off Motorcycle

Albert C. Groff, 32, owner of Al's Auto service, West High street, Stowe, and a woman companion escaped serious injury when they were thrown from a borrowed motorcycle the past Thursday night, it was learned last night.

West Pottsgrove Police Chief James Guadagno said Groff was operating the motorcycle and Lettie Merkel, 33, Reading, was riding behind him when the accident occurred at 9:05 p. m.

Guadagno said the couple was traveling east on Route 422 from Groff's used car lot. He said he was on the opposite side of the highway directing traffic around a sample house at the time.

The chief said Groff blamed failure of the "cycle's clutch" release for the accident.

GUADAGNO SAID he took Groff to Memorial hospital where he was treated for a head bump and bruises of the right shoulder, elbow and upper right leg.

Though requested to remain in the hospital by a staff physician, Groff signed his own release and (Continued on Page Five)

Local Dentist Recalled to Active Duty

Dr. James A. Hallman, Pottstown dentist and a leader of Pottstown area civic organizations, was notified yesterday that he has passed his physical examination and will be recalled to active military duty on Nov. 10.

He is being called under the US Government's "Priority 2," which applies primarily to reservists who had more than 90 days service but less than 21 months.

Dr. Hallman served in the Navy for 17 months during World War II. He is married and the father of an 8-month-old son, James Craig Hallman. Their home is on Winding road.

Several weeks ago, he learned that he might be recalled, but not until yesterday did it become definite.

Although recalled as a Naval lieutenant, he will report to Bryan Air Force field, Texas for duty with the Air Force.

THE 33-YEAR-OLD dentist is chairman of the sustaining membership drive for Continental district, Boy Scouts; vice president of Pottstown Kiwanis club; on the advisory board of the Salvation Army, and is assistant Sunday school superintendent of Coventry Church of the Brethren.

He also is chief of dental service at Memorial hospital and is dental examiner for St. Aloysius and St. Peter's Parochial schools. His dental office is at 305 High street.

Born in North Coventry township, he is a graduate of Norco High school; Juniata college, Huntingdon, and the Dental school of the University of Pennsylvania.

Many Stores Open Today for Weekend Buying

Special note to shoppers: not all of Pottstown's stores will be closed today.

Only those stores whose proprietors are observing Rosh Hashanah, the Jewish New Year, will be closed today. Those same stores closed at 6 o'clock instead of the usual 9 o'clock last night.

Many other stores will be open during their regular Saturday business hours today, so you still may do your weekend shopping.

The stores closed for the religious holiday will reopen Monday morning.

Trojans, Dales Play Today

A fumble by the weather man, school athletic director, to check and a cool, ideal evening for foot-balled the opening of Pottstown with area weather bureaus for a ball followed.

High school football season last night, but today "rain" or shine, the Trojans will meet Lansdale High at Franklin field. The kick-off is a 2:15 o'clock.

An all-night downpour that con- tinued in lesser proportions yes- terday morning and early after- noon, prompted Ed Good, the high school athletic director, to check and a cool, ideal evening for foot- balled the opening of Pottstown with area weather bureaus for a ball followed.

"Continued heavy rain until about midnight," was the un- hesitant prediction of WM.

At 3 p. m., Good officially called the game off, and the skies promptly cleared. By game time the last rays of a very pleasant sunset could be seen in the West.

The postponement did have its advantages as the field approach- ing the grandstands was still quite muddy last evening and would have made walking uncomfortable.

THE TROJANS are now straining at the leash. Coach Heeb Meyers will use the same starting lineup as formerly announced. The extra day will give guard Bill Garrow, tender nose a bit more chance to lose some of the soreness, and tackle Hal Rosenberg's sprained ankle enjoyed the added rest.

Pottstown was not the only school foiled by the unco-operative in- clement weather. The Norristown game at Allentown was postponed until tonight, and several coal region and central state games were put back a day.

Hugo Bezdek Dies ATLANTIC CITY, N. J., Sept. 19.—Hugo Bezdek, 68, former col- lege football coach and onetime manager of the Pittsburgh Pirates, died tonight at Atlantic City hos- pital.

Mose Moore after a recent out- break of high scoring races is breathing hard down—Lesh's neck, and Harry Moore, George Gregory and Monk Keller are not too far behind.

Lesh has been driving a new racing stock in recent races and the car is just about ready to go all out in tonight's feature.

Dick Rodenberger and Harvey McDonald have been dogging the hard-luck trail in recent weeks but hope to shake off the crackup jinx and finish in the money.

AT FULLBACK will be Delton Fritz, a 160-pound Junior.

The UP line is a pleasant brew of heft plus speed. The trimmings will be handled by a pair of fleet-footed Seniors, Dale Miller and Allen Tomlinson. Both stand about 6-1, and weight 155 pounds.

The tackle posts are well fortified by John Olson and Dick Quigley, 185-pound Seniors. Both will play an important part in Upper Perk's goal of winning the Big Four title in the Perk loop.

The third lineman who goes over the 190 mark is guard Leroy Berg. He is a Senior and will play opposite one of the two Sophomore starters, Dick Conrad.

The other third classman is John Brunner, opening at center and weighing in the 175-pound class.

Today's game should give a good picture of what to expect this season, and just how much UP has improved since last year, when with East Greenville many of today's starters took part in the disappointing 4-4-1 campaign.

Indoor Mat Season Opens

Wrestling returns to the Reading Armory tonight as the indoor sea- son opens with a card worthy of New York's Madison Square Garden.

Promoter Bert Bertolini has signed Antonio Rocca to meet Ray Thunder in the main event, and has engaged the team of Gene and Steve Stanlee to oppose the com- bination of Zebra Kid and Man Mountain Dean in the tag match.

In addition he has induced Jack Dillon, the Tennessee mauler, to pace during the Summer season, tackle Lou Kim, or Sinbad the Sailor as he is known in Man- churia.

The main event is scheduled to a finish, with one fall to decide the winner. Rocca con- tinues to beat all opposition, but he will meet a formidable rival in Thunder, a young man from Florida who has made it his business, like Rocca, of winning all his matches. This battle should be a hair-raiser because both principals are

fast, clever and aggressive.

In the tag match it will be skill versus brutality. Not that the Stanlee brothers can't be brutal if they want to, but they are ex- pected to rely on their wrestling skill to win. Both have set a fast pace during the Summer season, and as a team they have been invincible.

Zebra Kid has always been rough. He is big and strong, and has never taken the trouble to learn even the rudiments of wrestling.

'Fords Beat Sell-Perk

By GARY TROLLINGER

Royersford's running game was Greater than ever last night. The Eagles' defense was not about the whole show as they slipped by Sell-Perk under the lights. 14-7. He set up all the 'Fords' scoring, toted over both their touchdowns, picked up 162 yards rushing, and—oh, yes—aver- age a flat (though pretty lumpy) 18 yards per haul.

The win for Bob McNeilly's Eagles over the hosts was wrought largely on first half punch with Royersford chalking up victory No. 9 over a two year span.

After the 'Fords pushed over their clincher with a little over a minute and a half gone in the third period, the game settled down to a match between the yard-grinding winners and the punchless hosts.

The Perks were in it for 24 minutes. But they left their only battle-wise quarterback, Jim Gross, in the dressing room suffering from dizziness at the half and from there on there just wasn't any Sell-Perk offense to speak of.

S-P, running a split-T, used a couple of Sophomore signal-callers after intermission who made many pitiful attempts to run the famous "option" play. More often than not they wound up either fumbling, being thrown for losses, or later- ally off to a teammate who was in no better position to gain ground than they.

THE STORY of the thing rather, seemed to be that Royersford had Grater. Defensively, the Eagle line was above-par, but passing riddled the backfield badly, open- ing the gate for S-P's only score, and could have caused more raised brows had the host Blues had any kind of a passer in the second half.

Both forward walls, still in the gang-lacking stage, pretty well muffled each other's running game throughout save for Grater's two quick pitch-out romps around the right flank and another off-tackle slant that shot him into the clear.

Junior Carroll Swenson, a rugged tank of a runner, didn't do badly in his line cracks, though. He did the brunt of his bucking in the second half, picking up 77 yards as the 'Fords played steady, ball- controlling football.

Dick Weber and Gerry Kratz nearly banged themselves into exhaustion, carrying 36 times between them for Sell-Perk. Both averaged only 2.1 yards a try, testifying to the stymie- ing prowess of the 'Ford line- men. Two first half passes by Gross picked up 52 yards between them.

Neither team could score until 9:45 remained in the half when Sell-Perk drove 91 yards for the game's first score. They took over after Charlie Miller's fumble on their own five and gained another break when a fourth down offside penalty gave them a first down on their 16.

Weber's 25-yard caper around right end to the Perk 41 was the big shot of their scoring drive dur-

ing which they rolled up half their line, but Swenson was thrown for a two-yard loss on fourth down to half the Birds, temporarily.

A Gross heave to Kratz in the flat for 39 yards to the Perk 41. Three line whacks by the Birds left them back on their own eight, and Weber dropped back to punt out of danger.

A high pass from center eluded him, however, and before fullback Dave Thomas, who went back and recovered the pigskin, could get out of the end zone, 'Ford tackle Bill Rogers and a couple of mates dropped him to give the Eagles tackle and scampered 39 yards to an 8-7 lead with 31 seconds left in the half.

QUARTERBACK Lou Alexander fumbled on the first play, losing three yards, but hit Grater in the right flat on the next play, and the All-Perk halfback of 1951 went into paydirt unmolested from 15 yards out.

The Perks rose up, however, to stall the extra point try short of the goal when Grater tried for it off left tackle.

After the kickoff, Sell-Perk's drive from its 36 fizzled on the 'Ford 25 and the Eagles were off for a score again—only in a differ- ent way from which they figured.

On the first play again after taking over possession, Alex- ander pitched out to Grater, who turned the right flank in such a hurry he left everyone behind him. But the officials ruled he stepped out on the Perk 25 after a 50-yard gallop.

Runs by Alexander, Swenson, Miller and Grater carried the 'Fords down to the seven-yard line.

Swenson tried for the extra point this time, and he too fell short of the goal.

Sell-Perk didn't advance past its own 46 for the remainder of the game or its 34 in the last quarter.

The 'Fords threatened twice in the final stanza. A fumble gave them the ball on the eight, but a penalty put them out of range with eight minutes left. Alexander ran all over the field before coming down on the Perk four for a seven-yard gain as the game ended. The Eagles drove from their own 49 in that instance, but just didn't have enough to count a third time.

After Defeating Braves, Dodgers Move Up...

BOSTON, Sept. 19 (AP)—An eighth inning wild pitch by Max Surkont gave the Brooklyn Dodgers their winning run today as they protected their first-place three-game lead over the New York Giants with a 4-2 victory over the Boston Braves.

After the third of a series of showers the umpires waited for an additional 36 minutes before diamond to call the game for good.

If Sam Jethroe had waited for an additional pitch from Joe Black instead of hitting a 2-1 pitch to Pee Wee Reese to retire the side

Rice's Catch Saves Game For Cards

CHICAGO, Sept. 19 (AP)—Outfielder Hal Rice's sprawling, swan-diving catch of Tommy Brown's ninth inning fly saved the St. Louis Cardinals' 5-3 victory over the Chicago Cubs in the opener of a three-game series today.

There were two Cubs aboard and two out in the Chicago ninth at the time.

Eddie Yuhas received credit for the win.

Enos Slaughter started Johnny Klippstein's downfall in the final frame with a leadoff triple. H. Rice then bounced a single over second to score Slaughter with the tally that tied the count at 3-3 and hiked home with the winning run on manager Eddie Stanky's single.

Dee Fondy's triple and single by catcher Toby Atwell netted the Cubs two markers in the first. Atwell's safety also scored Fondy with Chicago's last run in the third.

Reds Win, 4-3, Over Pirates

PITTSBURGH, Sept. 19 (AP)—Cal Abrams lashed a tie-breaking single in the ninth inning tonight to give the Cincinnati Reds a 4-3 victory over the cellar-dwelling Pittsburgh Pirates.

Rookie Jim Greengrass got the Reds off to a flying start in the first inning with a two-run homer. Big Herm Wehmeier gained the win.

Cincinnati picked up another tally in the first on a wild pitch by Bobby Friend and singles by Willard Marshall and Ted Kluszewski. This pair also produced singles in the ninth, with Marshall scoring the winning run on a single.

St. Louis Cardinals 5, Chicago Cubs 3. St. Louis won the first of a three-game series. St. Louis scored three runs in the first, second and third innings. Chicago scored two runs in the first and third.

Shantz Blanks Yankees; Indians Win

NEW YORK, Sept. 19 (AP)—Wee Bobby Shantz, lightweight Philadelphia left-hander, survived his own wildness and his teammates' fielding lapses to overcome the league leading New York Yankees 2-0, tonight in a thrill-packed pitching duel with Vic Raschi, the Athletics' long-time nemesis.

Shantz' shutout, his 24th triumph of the year, cut the Yankees' first place margin over the pursuing Cleveland Indians to a game and a half. The Indians picked up a full game on New York, walloping the tail-end Detroit Tigers, 4-1.

Dave Philley provided the big blow of the game. He smashed a four-out triple to left center in the third inning to drive in both Philadelphia failies. It was the fourth and last hit given up by Raschi, who bowed out for a fruitless pinch hitter in the seventh.

Philley's drive eluded Mickey Mantle and brought in Shantz and Ferris Fain both of whom had singled.

Shantz pitched himself out of two tight spots when the Yanks loaded the bases in the second help of passes and again in the fourth aided by Athletic fielding lapses.

BIVINS KO'S WALLACE

NEW YORK, Sept. 19 (AP)—Jimmy Bivins, a 32-year-old veteran, knocked out young Coley Wallace with a right to the jaw tonight in 17 seconds of the ninth round at St. Nicholas Arena in a nationally televised bout. Bivins weighed 184, Wallace 200.

Wallace, and 8 to 5 favorite, built up an early lead before he ran into Bivins' crushing right at the start of the ninth. It was the only knockdown of a bout that drew boos from the small crowd during the early dull rounds.

Real Estate Taxes For Farmers Climb To All-Time Record

WASHINGTON, Sept. 19 (AP)—The Agriculture department reported today that farmers are paying a record of 775 million dollars in farm real estate taxes this year, or 5.4 percent more than last year.

This was said to be the seventh annual increase in farm real estate taxes since the end of World War II.

These taxes are levied by State and local governments.

The department said the increases reflect a need by these government agencies for more funds to meet mounting costs.

Higher prices for the things that local governments must buy, increased salaries and wages, and in some cases new undertakings were said to have contributed materially toward higher costs of operation.

A need for additional facilities to accommodate a growing population also has been reflected in larger budgets. Schools have been the biggest item in building programs.

ROADS HAVE required considerable funds for upkeep and improvements. Welfare activities have grown despite relatively high average incomes.

The department said that even though property taxes have been increasing, a smaller percentage of the total funds for state and local purposes is obtained from them than in earlier years. More state governments were said to be eliminating or limiting their levies on property, leaving this source of revenue to local governments.

The amount of taxes levied averaged 68 cents an acre for the country as a whole, compared with 61 cents last year and a pre-war average of about 38 cents. The taxes ranged from 7 cents in New Mexico to \$4.54 in Massachusetts.

Taxes levied on an acre basis by states included: New York \$1.72; New Jersey \$3.45; Pennsylvania \$1.49; Maryland \$1.10; West Virginia 21 cents.

High Temperature, Rain Helps Farmers

HARRISBURG, Sept. 19 (AP)—Down by the Labor Day storm, rainfall and high temperatures are difficult to harvest. Prospects helped farmers in their field work continue good for an average high in the past week, the state agriculture department said today.

In some places, however, dry weather held up preparations for fall seedings.

In the weekly Federal - State weather and crop survey, the department reported.

Apples gained size and color and picking of Fall varieties is about over. Sunny weather hastened ripening of tomatoes and the supply for processors increased. Picking of lima beans for canneries continues.

"Much of the State corn crop is now safe from frost damage. Cutting of corn for grain has started in many sections and filling of silos is in full swing over the state. Some stands of corn, blown

"Some early stands of buckwheat have been harvested, seeding of barley is underway in all areas, while the planting of wheat advanced in northern counties.

"Digging of late potatoes is under way in southern counties. Yields are running below the average of recent years. Stands in many sections lack sufficient moisture for best development of tubers. Spread of blight is reported in some localities.

Insect Populace Increasing, Tree Expert Asserts

Some types of scale insects are now on the move looking for winter homes. In the migratory stage after feasting on plant juices of leaves and twigs, they're set to crawl to tree and shrub crevices for over-wintering.

And this year, they're more abundant than normally, according to F. R. Lancaster, technical adviser of a Tree expert company. He attributes the teeming populations to the possibility that not so many as usual were killed off the past winter.

The entomologist advises a nicotine contact spray to deplete the scale insect legions when they're most vulnerable. This is particularly important if the home owner has missed one of the normal sprays earlier this season... namely either the dormant or early crawler sprays.

Among the major scale pests susceptible to the nicotine applications during the Fall season are the Lecanium, particularly severe in the South; cottony and woolly maple scale, widespread over the United States and particularly destructive to Northern trees and shrubs, camellia, beech, camphor and oleander scale. Even if you did apply dormant oil before the growing season, chances are your landscape will be improved with the late season spray.

RARELY is 100 percent kill accomplished in the early Spring. That is because the kind of oil that will destroy all the insects will also kill tree or shrub. Milder applications are required. These leave some live scale. Under favorable conditions, scale populations grow alarmingly. It is best to play things safe and get rid of the survivors, if possible.

Farm Owners Urged To Adopt Measures For Conserving Soil

Largely from the farms now producing for 156 million people must come the production needed for the additional 35 million people we can expect in another 20 to 25 years. Clyde A. Zehner, chairman of the Pennsylvania State Production and Marketing Administration committee, said recently. This is the challenge that faces the nation and particularly the state, county, PMA community committees who are responsible for the operations of the ACP.

To this end the 1953 Agricultural Conservation program, Zehner pointed out, will be directed to assisting farmers in carrying out the most needed conservation on their individual farms. Farmers will be encouraged to continue all good conservation practices they have been carrying out in the past but assistance will be provided only for the most needed conservation.

South of Border Cattle Coming North

With the opening of the border after six years, Lowell Brakey of Phoenix and Martin Jeffers of Salt Lake buy Mexican cattle at the corrals of the Martin Jeffers ranch at Casa Grande. They plan to bring the cattle into the United States. The United States and Mexico closed the border in December, 1946 when hoof-and-mouth disease was reported in Vera Cruz.

Farm Report Released, Disputed

WASHINGTON, Sept. 19 (AP)—Secretary of Agriculture Brannan said today a survey made by his department showed strong farmer support for most existing farm aid policies, but it will undoubtedly be used in an attempt to influence farm thinking in the current political campaign.

The survey was made a year ago, it stirred up much controversy in agricultural circles. A summary of findings was not made public until today.

In contrast to the 100 percent of parity level of price supports for which Brannan reported strong sentiment, the top limit now is 90 percent. Parity is a standard for measuring farm prices, declared by law to be equally fair to farmers and to those who buy their products.

Brannan made public a summary of county and state reports on the survey—called the "family farm policy review"—which was conducted by the department's field agencies and farmer committees which the department's field agencies and farmer committees which help administer farm-aid programs.

THE SUMMARY said that most of the reports gave general approval of present agriculture department programs, policies and agencies, and that many recommended expansions in some of them.

The summary drew an immediate

Contest Planned By Farm Group

The Montgomery County Farm-ers' association will sponsor a "Country Talk Meet" in connection with its annual meeting on Oct. 3, it was announced this week by County association President Edwin L. Bell.

Any farm boy or girl in the county between the ages of 18 and 28 is eligible to compete in the event, which is in the form of a public speaking contest. Winner of the county meet will represent Montgomery county at the convention of the Pennsylvania Farmers' association in Harrisburg Nov. 20, 1952.

Topic of the speaking contest will be "Who Shall Speak For Farm?" Contestants will be supplied with research and background material for preparation of their talk upon writing to the Pennsylvania Farmers' association at 839 Market street, Lemoyne.

All talks will be limited to five minutes and appropriate awards will be made to the winner of the event.

IT WAS EXPLAINED by the County association president that if more than three entries are made for the county contest, it will be necessary to hold a preliminary contest.

PREMIER CORN CRIBS
Ideal for farm operators who find it necessary to move crib location periodically; yet lends itself to a permanent installation. This new type of steel-ribbed construction gives feed protection against the weather and provides ample ventilation for curing and drying.
Heavy gauge galvanized steel roof ventilator is furnished, and ventilator sections as well as deer tunnel are available when wanted.
When shelling corn, most of the shelling, otherwise necessary, may be eliminated by placing the sheller drags in the ventilating channel, if used.
Crisps may also be used for small grains such as oats, beans, corn, etc., by lining inside with Stalkkraft paper. Not more than 1000 bushels of small grain should be stored in any size crib.

Here's why the Champions Choose
JOHN DEERE PLOWS
Plows don't win plowing contests. Only the most expert plowmen can do that, regardless of what plows they are using. Then why did 16 out of 20 major 1951 contest winners use John Deere Plows to win their titles?
The answer is simple. Contests are judged by the same standards that measure good plowing anywhere... standards like tillage quality, trash coverage, and furrow conformation... plowing that makes better seedbeds for better crops. It follows that the plow which does the best job of farm plowing will do the best job of contest plowing.
That's what the champions know. That's why so many of them—men who want the best plows they can get... who want plows that will give them every possible working advantage in the final showdown—choose John Deere Plows.
And that's why more and more farmers are talking plows with us and then getting the extra values built into John Deere Plows. See us for complete information.

Fall Planting of Shrubs

Deciduous, or leaf-shedding shrubs can be transplanted in the fall, and many gardeners prefer to do so at this time. They can be moved as the foliage takes on color or after the leaves have dropped.

In this class of shrubs are privets, honeysuckles, mockoranges, deutzias, viburnums and many more. If, however, the plants are transplanted before the leaves have "turned" or dropped, they will lose a greater amount of water from

Progressive farmers in this area rely on Moline-Monitor drills with fluted feed and double disc or single disc openers to sow crops accurately, at uniform depth with uniform covering and careful handling.
The deep-cut fluted feeds prevent bridging and grinding of seed. Even trashy seed flows through evenly. An exclusive MM feature permits the operator to actually see the seed being delivered to the spouts. No special gates of any kind are needed on the quality MM Monitor Drills. The regular feeds with two speed drive handle everything from soybeans to flax.
Grain growers also prefer Moline-Monitor Drills because of their dependability and long-life, trouble-free operation. Typical of the better construction are the axle bearings which are extra large and completely enclosed in a self-aligning dustproof housing.

BEEF CATTLE FOR SALE

Have sold out of all cattle on hand and expect a new lot of over 200 head to arrive this week, either Herefords or Angus heifers and steers, which will consist of over 100 head of calves weighing from 200 to 400 pounds. Just right to start now and make 1,000 pound cattle next year.

Also will have over 150 cattle weighing from 400 to 600 pounds. They are just right to keep for breeders or fatten for market in the early winter.

Balances will be cattle weighing from 600 to 900 pounds that will do for the feed lot in the fall.

Anyone interested in good beef cattle to make money on should come and look these cattle over.

I have sold over 2,000 head of these kind of cattle since January 1st. to over 200 satisfied customers, and expect to sell more than that many the balance of this year. So if you have pasture, why not buy a few of these good cattle and watch them grow and make money for you? It looks like cattle will be high for a long time to come.

All cattle I handle are treated for shipping fever and de-

offer of cheese within 100 miles. Will take your dairy and fat cattle in trade and allow you a good price for them.

Also can arrange to pasture at a small cost to you any number you wish to buy.

I have rented the Norrmande Farms, at Norristown, and have over 400 acres of the finest pasture. They have a four-rail fence and plenty of water and shade. I'm sure your cattle will do good there. Also have over 300 acres pasture to rent here in Chadds Ford. So why wait? Why not come and see some real good cattle that are priced lower than any other cattle of the same quality in the state of Pennsylvania?

There must be a reason why I have sold over 48,000 head of cattle in the last 12 years and last year was the biggest year I ever had.

I expect to receive over 200 cattle each week for the balance of this year and I expect to price them so they will move out in that order.

The annual Harvest Home service will be conducted in Spring City Evangelical and Reformed church by the Rev. Garnet O. Adams, minister, tomorrow morning at 11 o'clock. Sermon theme of the pastor will be "We Have Known God's Goodness."
The church will be decorated for the service with the gifts of canned goods, fruits, vegetables and other foodstuffs which the members bring as their donation for the Reformed Church Home for the Aged at Wyncote.
Arrangements were made by a committee of women from the Alpha Tau Sunday school class. Members were requested to bring their contributions to the church before noon today.

Hospital Notes

Margaret Murray, Royersford, was admitted to Phoenixville hospital.
Mrs. Joseph C. Kandler, Mrs. Robert Leister and Mrs. Clarence Collopy, Spring City; Herbert Grater and Richard Porter, Royersford, were discharged.

Retired Rector to Hold Communion Tomorrow

Dr. Henry Painter, retired, will conduct the Holy Communion in the Epiphany (Episcopal) church, Third Avenue and Washington street, Royersford, tomorrow morning at 10:45 o'clock.
Formerly rector of St. Barnabas church, Abington, he recently assisted Dr. Tukey at St. John's church Lansdowne. He has been retired several years. Dr. Painter is editor of the Church News, a diocesan publication.

Stowe Substitute Pastor Gives African Lectures

The Rev. W. O. Winger, who is serving as pastor at the Stowe Brethren in Christ Mission during the absence of the Rev. Nathan, has visited five rural schools of East Vincent township the past week.
The substitute pastor spoke on native African life and encouraged the scholars to build good characters and good moral habits, with a blessing for being an American.

Negotiator Lashes at Communist 'Lies'

MUNSAN, Korea, Saturday, Sept. 19 (AP)—Lt. Gen. William K. Harrison Jr., today lashed out at what he termed repeated Communist lies in the truce conference tents at Panmunjom.
The senior Allied truce negotiator delivered a bitter tongue lashing to the Reds as armistice delegates sat down after their seventh week-long recess.
Speaking from a prepared statement, Harrison accused the Reds of "stupidity and clumsiness in the fabrication of falsehood."
"By your own efforts," he said, "you have succeeded in making yourselves completely ridiculous and I think you are well aware that lies cannot stand up in the face of ridicule."
Harrison cited the example of the repeated Communist accusations that South Koreans invaded Red Korea on June 25, 1950.

Dramatic Moment at Flash Fire

Down the ladder into the arms of a fireman tumbles a man who had been trapped by a flash fire in a Philadelphia armature plant. The blaze set off a number of explosions before firefighters brought it under control. There were no fatalities.

Pottstown's Prides

Another in the series of beautiful homes that make Pottstown warm

The wide chimney atop this home of Mr. and Mrs. Harold C. Buckwelder at 573 North Evans street is symbolic of the owners' fondness for traditional touches to a modern-styled home. In the 18-by-22-foot living room at right is an old-fashioned corner fireplace of brick and white woodwork, with a mirror running above it to the ceiling. In the basement playroom is another fireplace. In the backyard is a third one. A feature of the kitchen is wallpaper with traditional Pennsylvania Dutch motif. The house was built five years ago by Allen K. Davidheiser Jr., Pottstown contractor. Other rooms downstairs are a dining room with two corner china closets, two bedrooms and a bath that has a dressing-table area. At the left rear of the house is an open porch. The garage is under the house at the back. Upstairs are a guest room and a storage room. The bricks are varicolored red with occasional bluish tints. The roof is greenish. The awnings are green and white. Buckwelder is a partner in Buckwelder and Shaw's Esso Servicenter, High and Adams streets. That's Mrs. Buckwelder by the front door with their dog, Laddie.

Man Is Jailed, Created Nuisance

A man whose name police could not obtain because of his condition was arrested at 8:15 o'clock last night for drunk and disorderly conduct at the West High street home of Mrs. Gertrude A. Edwards.
The man entered Mrs. Edwards' home and refused to leave until finally forced out. When he attempted to re-enter the house, Mrs. Edwards called police.

Death Sentence Meted Out for Czech Peasant

VIENNA, Austria, Sept. 19 (AP)—A court in Communist Czechoslovakia today sentenced one Kulak (peasant landowner) to death and three others to prison terms of 20 to 24 years. Prague radio announced tonight.

\$60,000 in Gems Disappears at Hotel

HARRISBURG, Sept. 19 (AP)—The disappearance from a hotel office of jewelry worth \$60,000 at wholesale prices was reported today by city police.
Oscar Blough, chief of police, said diamond rings and wedding bands given an employee of the Penn Harris hotel for safekeeping were stolen from the hotel's auditing office Monday night.
The owner of the jewelry, stored in two cases, was Myron I. Jackson, vice president of the Shiman Brothers company, New York. One of the cases was found empty Tuesday along the Susquehanna river in Columbia, Blough said.

Gives News

At a news conference in Tokyo, Lt. Comdr. Lawrence A. Kurtz, commander of the guided missile attacks launched against the Reds in Korea, declares that the Navy could now even send "missiles to Moscow." He pointed out that the tests were made with "obsolete equipment," but with a new version of the pitiless plane oceans could be spanned by using television booster stations. He added that the Navy now has a fleet of 1800 converted guided missile planes.

Pickel Line Removed At Sportswear Plant

Pickets at the S and L Sportswear company, Walnut and York streets, left their posts yesterday. Union sources would not divulge the meaning of the picket line removal. Company officials were not available for comment.
Thirty-five employees at the plant walked off their jobs this past Tuesday when the company sent Bobby Walters to be able to get up and two girls home from work. Picket lines immediately were placed at the entrance to the idle plant.

Allied Troops Forced Off Old Baldy Crest

SEOUL, Saturday, Sept. 19 (AP)—Chinese troops with tank support forced Allied defenders out of pre-fabricated bunkers atop Old Baldy and won control of the key crest on the western Korean front, the Eighth Army said today.
The Chinese began their assault Thursday night with about 800 men. Confused fighting swirled around the shell-scarred slopes Friday.
For months both sides have fought over the peak, four miles east of the truce talk site of Panmunjom, like dogs over a bone.
Details of the latest fighting were sketchy.

Navy Leader Approaches Tito on Use of Bases

WASHINGTON, Sept. 19 (AP)—A high ranking U. S. Naval leader apparently has made the first approach to Premier Marshal Tito regarding the use of air bases in Yugoslavia by American combat planes.
Co-operation between Tito's Communist Yugoslavia and the Allies of the North Atlantic treaty is a focal point of American military and diplomatic concern at this time. Efforts are being made to establish a working military relationship between Yugoslavia and Greece and Turkey on the one hand and, on the other, to lay the basis for co-operation between Yugoslavia and Italy.
The Italian-Yugoslav situation is especially difficult because of their contest for control of the territory of Trieste at the head of the Adriatic. United States officials have started a determined campaign to get the two countries together on this issue.

STORM DAMAGE — Rubber Union Backs Adlai, Hit GOP Stand

(Continued From Page One)
The Linfield area was lost when a bolt hit in that section.
Mrs. James Wyse, Perkiomenville RD 1, saw the lightning which sliced the wire in front of the Wright home.
"I was sitting at the window and watching it. I never can sleep when there's lightning. I got up and went down the stairs and was sitting on the bottom step when this awful crash came.
"It turned all kinds of colors. I thought the side of the house was coming in. I got weak I turned around to get dad (her husband) and then another clap hit.
"I called Norristown, but they told me there that someone had called before me. The electric men came in a short time after they were called. They put out the fire then went away, but came back again around 5:30 o'clock.
"By 10 o'clock they had everything in order and then checked the neighborhood to make sure everybody had electricity. They did a good job."
THE ENDS of the severed wire burned with a red and white light on the rain-soaked lawn in front of Wright's house.
Wright said, "It made a noise like a very loud hum. You could hear it all over the house. There were plenty of sparks, but it didn't do much damage. The grass was burned a little, but it couldn't burn much else because the yard was wet from the rain."
Dirt roads in Marlborough township took a pounding from the heavy rains. Washouts were numerous in the Schuylkill district where gushing streams of brown water tore into gravel roads and hillsides.
East and south of Limerick damage was not so extensive, but the entire area was treated with the most spectacular electrical storm of the year.

Illinois Police Hold Three County Youths

DIXON, Ill., Sept. 19 (AP)—Three 15-year-old boys who left home because they were suspended from high school for smoking were in worse trouble tonight.
Confined in the Lee county jail on charges of leaving the scene of an accident were Ray Tournier, Dick Geppert and William Knopf, all of Wyndmoor, Montgomery county, Pa.
For a while, they had this farm-land countryside in an uproar as word went around that they were desperado bank robbers.

Skull Discovery Prods Investigation for Heir

PITTSBURGH, Sept. 19 (AP)—Discovery of a skull of an unidentified suicide in 1949, renewed today an investigation to determine if he is the missing Pittsburgh heir to a \$300,000 fortune.
The skull was found a year after the man's death on a road near Shadyside, Ohio, and turned over to Dr. William Johnson, then Belmont county coroner.
His successor, Dr. Richard A. Niple, received a letter from a Pittsburgh firm a year after Johnson's death suggesting the suicide might be the heir to the fortune.

Area Man Arrested For Drunken Driving

Harry Y. Moyer, 49, of Elverson, was arrested in South Coventry for driving under the influence of intoxicating beverages by Police Chief Robert F. Conway at 11:05 o'clock last night.
He was released in \$500 bail pending a hearing before South Coventry Justice of the Peace William S. Symons.

It easily could be. This cut is a modification of our regular 58 facet Brilliant. It was first introduced as the turn of the century and is sometimes also called a Jubilee Cut. The style consists of 80 or 88 facets and the principal difference between it and our modern brilliant is the fact that the top of the stone is replaced by a low pyramid, usually covered with 8 facets.
Recently it has been definitely proven that the modern brilliant with 58 facets is actually more brilliant than the older Twentieth Century Cut.
Keep those questions coming and we'll see you next Saturday.

Eisenhower Stands by Sen. Nixon As Honest Man, as Turmoil Rages

KANSAS CITY, Sept. 19 (AP)—Gen. Dwight D. Eisenhower stood by Sen. Richard M. Nixon tonight as an "honest man" in the midst of a political turmoil over Nixon's accepting expense money from a group of Californians.

For the second time in less than 12 hours, the GOP presidential nominee voiced trust in his vice presidential running mate while reports circulated that increased demands are being made for Nixon to remove himself from the GOP ticket.

The Nixon thunderbolt completely submerged in the news the General's major speech here in which he charged that Adlai Stevenson is a candidate of the "machine bosses" who will try to win the presidency.

DEMOCRATS SCORED
ALBUQUERQUE, Sept. 19 (AP)—Sen. Edward Martin, Republican candidate for re-election, said today "the program and policies pursued by Democratic administrations in the last 20 years are an invitation to national disaster."

Inquiry Is Ordered On Chaplin Re-Entry

WASHINGTON, Sept. 19 (AP)—The Government ordered an inquiry today to decide whether Charlie Chaplin, now on his way to Europe, should be barred from returning to the United States.

Attorney General McGranery announced the action in the case of the English-born, four-times-married comedian, whose name has been associated with leftist causes and who once was investigated by the House committee on un-American activities.

McGranery said he has told the Immigration and Naturalization service to keep Chaplin out of the country, if and when he returns, until a hearing determines whether he is admissible under United States law.

Soviet Zone Group Asks West Germany To Help in Probe

BONN, Germany, Sept. 19 (AP)—A five-man delegation from the Soviet zone, booed and jeered by anti-Communist spectators, called on West Germany today to help form an East-West German commission to investigate the possibility of nationwide elections.

The Red emissaries also proposed that the West and East German Parliaments exchange representatives to discuss unifying the divided country.

They said that both East and West Germans should be allowed to take part in any Big Four talks on the future of Germany.

Dr. Hermann Ehlers, president of the West German Bundestag (lower house) who received the group, immediately declared that their proposals "followed the lines of the well-known Eastern propaganda."

He brusquely rejected a request from the East Germans for permission to stay in West Germany until the Bonn Parliament considers their proposals.

The East Germans were headed by Deputy Premier Otto Nuschke, 69.

22 Persons Hurt In Crash of Buses

ELIZABETH, N. J., Sept. 19 (AP)—Twenty-two persons were injured tonight in the rear-end crash of two big buses on Rahway avenue near the Union County courthouse.

Police said a Greyhound bus en route from New York to Washington and a public service bus bound from Newark to New Brunswick with a rush hour load of passengers were involved in the accident.

Ambulances from St. Elizabeth, Alexian Brothers and Elizabeth General hospital answered emergency calls to give aid at the scene.

Eisenhower said: "I have worked with and have confidence in Senator Nixon."

"I have read this (Nixon's) statement to you because I believe it is an honest statement."

Stevenson also said it should be determined "who gave the money" to Nixon.

The Illinois Governor added that he is sure "the great Republican party will ascertain these facts, will make them public, and act in accordance with our best traditions and with due respect for the second most position in the land."

Stevenson said yesterday he had used a \$16,000 fund collected by his State supporters to take care of political expenses, which, he said, should not be charged to the Government.

The California lawmaker said he received the money from "some of my supporters in the 1950 Senatorial campaign."

Stevenson's statement on the episode was the latest development in the political turmoil stirred by disclosure of Nixon's acceptance of the money.

Shortly before Stevenson put out his statement, Gen. Dwight D. Eisenhower, the GOP presidential nominee, said in Kansas City:

"Knowing Dick Nixon as I do, I believe that when the facts are known to all of us they will show that Nixon would not compromise with what is right."

THE GENERAL clearly indicated he would keep Nixon on the party ticket.

Democratic National Chairman Steven A. Mitchell has called on Nixon to resign as Eisenhower's running mate in the light of the development.

NEW YORK, Sept. 19 (AP)—Three rampaging Federal prison escapees today were linked to the brazen holdups this week of a private arsenal and a bank in the Bronx.

For a time police thought they might have them trapped in a Northern Illinois cornfield. But it turned out to be three other men, who fled their ditched car near Dixon, Ill., when officers stopped for a routine investigation of the accident.

However, at about the same time, one of the men was reported seen in Pittsburgh by a shoe store proprietor.

The widening search for the trio was heightened after the men were identified by Bronx bank employees. The three convicts apparently now are well-heeled with \$12,500 of the bank's cash, and heavily armed with at least a dozen stolen guns.

Mrs. Hadley, watching from her shop window, ran out and threw stones at the bear whereupon he abandoned Noyes and resumed chasing Hucksins. The animal, with one swipe of his paw, knocked Mrs. Hadley to the ground.

Meanwhile, a filling station operator, George Mangles, watching the tragedy unfold, grabbed a .22 rifle and wounded the bear. The animal lunged into the woods where it killed Hucksins but was slain by two State Highway department employees who had taken up the chase.

STATE POLICE gave this version of the tragedy: Hucksins, who was filling in for the day for the regular keeper, was a Summer employee of the park. He had listed his residence as Rockport, Mass., but was believed to have lived with his mother, who teaches school at Bristol, N. H.

Hucksins and Boucher entered the cage with the bear's food. As they turned to leave, the male bear, known to thousands of sightseers as "Benny," sprang upon Boucher. Hucksins fled the cage and the bear abandoned the wounded

Slack Sent to Two Cities to Get Cases Dismissed, Caudle Says

WASHINGTON, Sept. 19 (AP)—T. Lamar Caudle told House investigators today that Ellis N. Slack, recently accused of trying to whitewash the St. Louis tax scandals, was sent by the Justice department to help get other tax cases dismissed in Nashville and Milwaukee.

Slack succeeded Caudle as head of the department's tax division after President Truman fired Caudle the past November for "outside activities." Slack, in turn, recently was demoted after the testimony about his role in the St. Louis scandal.

Caudle appeared today, for the second day in a row, before the same House judiciary subcommittee which heard the earlier testimony about Slack.

In a rich North Carolina accent, Caudle testified that Slack:

1. Was sent to Nashville to get tell a Federal judge the department had no objection to the dismissals of tax fraud charges against the late W. M. Massey, father-in-law of Rep. Pat Sutton (D. Tenn.), and others. Caudle said the department felt these cases should not be prosecuted. And he then attorney general J. Howard McGrath, repeatedly about the case. Ultimately the charge against the woman was dismissed.

2.—WAS SENT to Milwaukee to the woman was dismissed.

Discussions Begun On Church Closures

ROME, Sept. 19 (AP)—US Ambassador Ellsworth Bunker, disclosed today the US embassy has started discussions with the Italian Government on the new wave of closures of Protestant churches in Italy.

At the same time, the Baptist denomination announced that one of its churches founded in 1894 was closed by police a month ago. That was just before the September crackdown on 22 churches of the American-led Church of Christ.

Cline R. Paden of Brownfield, Tex., head of the Church of Christ here, and Dr. Manfredi Ronchi, general secretary of the Baptist church in Italy, met tonight and discussed the police action.

Paden said his churches would hold services as usual next Sunday, in defiance of the police ban, unless police physically prevent churchgoers from entering, as they have done in Rome and Alessandria.

COAL STRIKE MAY BE AVERTED

Settlement Seep Near As Lewis, Moses Meet For Secret Negotiations

WASHINGTON, Sept. 19 (AP)—A last-minute settlement that would head off Monday's scheduled strike against Northern soft coal operators was reported increasingly likely today by well qualified sources.

There was no word one way or the other, however, from United Mine Workers president John L. Lewis or from Harry Moses, head of the Northern Producers association. Their negotiations continued in secret.

One prominent industry source, who asked that his name not be used, told a reporter: "I hear they're getting pretty close."

A high government official, also declining to be quoted by name, said: "I think there will be a settlement."

SECRETARY OF the Interior Oscar Chapman gave out this word: "I am keeping informed as much as possible and I am hopeful a settlement will be worked out."

The mines involved employ some 200,000 workers.

Lewis reportedly has been demanding a \$1.80 daily pay increase and a 10 cents a ton increase in the operators' payments to the UMW's welfare fund, which finances pension and other benefits. The basic daily wage now is \$16.35 and the operators turn over to the welfare fund 30 cents for every ton of coal mined.

Word from Chicago was that virtually all members of the Illinois Coal Operators association were likely to sign an agreement with Lewis which would let them continue production if the strike comes.

Toscanini Saluted After Performance

MILAN, Italy, Sept. 19 (AP)—Arturo Toscanini conducted an all-Wagnerian season opener program at La Scala opera tonight and won unanimous applause for its brilliance. Theater employees, musicians and the audience joined in the loud salute.

Critics praised the long-awaited event as a triumphant success. The 85-year-old maestro, now a resident of New York and a regular conductor for NBC, surprised the capacity audience with his apoplectic vitality and good health.

He seemed fresh as ever after two hours of conducting without a score.

Home Can't Be Beat, 2 Travelers Report

By ED ZUMACH
(Mercury Staff Writer)

London seems to be a nice, attractive city, but the English can have it so far as S-Sgt. and Mrs. Freeman L. Edwards, 558 Walnut street, are concerned.

With all due respect to the State Department and its foreign relations program, the Edwardses will tell you, they were happy to leave their old England.

"There's just no place like home," said Mrs. Edwards last night.

The 23-year-old sergeant had been stationed with the Third Air Force in London as a teletype operator from the past October to the end of August.

His wife, the former Betty Young, had joined her husband the past Feb. 29 and kept house for him in a London apartment until he was ordered home for discharge the past month. The couple arrived in Pottstown the past Thursday.

The sergeant will be discharged Oct. 13 at McGuire field near Ft. Dix, N. J.

Linfield Boy Scouts End Summer Action With 155-Mile Hike

If a prize were given for the longest hike undertaken by an area Boy Scout troop, it would probably go to Linfield's Evangelical and Reformed church troop.

The troop met last night at 7:30 o'clock to discuss its Fall program, after concluding its Summer activities by hiking 155 miles along the Horseshoe trail in eight days.

Starting from Mananda Gap, the hardy hikers headed for Valley Forge, averaging about 18 miles a day. On arriving there, they still had enough energy to march on back to Linfield.

The Linfield troop believes in traveling light. The scouts buy food in stores along the way and cook it themselves when they make camp for the night. Sleeping while in the trail is done in a sleeping bag spread on a canvas shelter half under the stars.

MEETING in Wilson's barn, which they have painted, decorated and furnished inside with hand-made tables and benches, the Scouts laid plans last night for a camping trip to Camp Delmont on the weekend of Oct. 15.

There they will rent a cabin and spend the weekend practicing and qualifying for advancement in grade and also for merit badges, under the direction of George Leskiewicz, Scoutmaster.

Under Leskiewicz's leadership, the troop has grown until it now has 21 members, making it one of the largest troops in the Pottstown district.

When he took charge three years ago the troop had 13 scouts. It now includes an Eagle and a Lion, patrol of eight scouts each, and an Explorer crew of six, led by Assistant Scoutmaster Gerald Hammel.

The troop is a hard-working as well as hard-hiking. The busy members earned the money for their sleeping bags and camping supplies by raising and selling sweet corn and mowing lawns during the Summer. Some members had their own truckpatches or raised vegetables in partnership with their fathers.

The biggest work project the tireless Scouts are pursuing is the building of a cabin and campsite in Fry's woods near Linfield. A modern building, it will be constructed of aluminum panels over a wood skeleton.

The troop committee which advises and co-operates with the Scouts, consists of Warren Fry, chairman; Robert Miller, Paul Kopenhaver, Ralph Beaver, Harold Lamb, George Deery, Charles Albert and the Rev. Russell Berger.

"IT WAS a nice experience and I enjoyed it," Mrs. Edwards said of her London sojourn, "but I don't care for England very much."

"The most fascinating part of it," she added later, "was seeing Buckingham palace and the palace guards. My husband took me to Hyde park and Piccadilly circus and we saw Jack Benny at the Palladium."

Mrs. Edwards said she had no trouble learning the English monetary system. "I learned it quickly, the first week I was there."

When questioned about the legendary fog of the world's most populated city, Mrs. Edwards said: "I didn't see any fog while I was there, but I certainly learned how to use an umbrella. Every day—well, whenever, I went out—I had to take an umbrella with me."

Mrs. Edwards' greatest thrill, she said, was seeing the lighted Statue of Liberty as the ship carrying the couple entered New York harbor.

IT WAS just marvelous! There's just no place like home," she asserted enthusiastically.

The sergeant, a veteran also of nine months in Germany and 18 months in Japan with occupation forces during his seven years of Air Force life, said he liked England "fairly well."

He added with exuberance that he was very happy to back in the States.

He watched several cricket matches, he said, "but I didn't understand it too well." He added that "the most exciting sport I witnessed was watching Little Mo (Maureen Connelly from the US) when she came over to play tennis. All the papers there covered the matches."

"We were glad when she won," he said. Miss Connelly won the Wimbledon Women's Singles title.

Sgt. Edwards plans taking an eight-months course at the Aircraft and Engine Mechanic school in Chicopee, Mass., soon after his discharge.

The couple is living with Mrs. Edwards' parents, Mr. and Mrs. Joseph Young.

Italian Red Charges Stalin Is Misquoted

LONDON, Sept. 19 (AP)—A British Socialist member of Parliament and an Italian pro-Communist who saw Joseph Stalin in the Kremlin in July got into a long-range disagreement tonight over what Stalin told the Italian.

The Briton, R. H. Crossman, wrote that the Italian, Pietro Nenni told him Stalin said he is ready to face 19 to 15 years of cold war. The piece was in the New Statesman and Nation as a three-hour interview by Crossman with Nenni in Nenni's palatial villa at Forima, Italy.

When Nenni, now in Genoa, saw excerpts of what Crossman wrote he said he had the impression that the British Labor Party leftist "attributed to Stalin thoughts and ideas which, good or bad as they may be, are mine."

Rancher Goes to Trial For Income Tax Evasion

DALLAS, Tex., Sept. 19 (AP)—E. Bass Clay, 60, a rancher, came to trial today in Federal court on a charge of income tax evasion.

He was charged with failing to pay \$117,075.73 income for the year of increasing our amenities years from 1946 through 1949. The Government claimed he owed \$34,000, should be concentrating on \$23,94 in back taxes for those getting on with our jobs. Television years is another means of wasting time."

He said in America that tele- vision is a "mass-produced form of education which is potentially 13,000 acres of land near Pampa, one of the greatest dangers in the world today."

Pottstown's Finest

Hope for the future lies in Pottstown's schools. The Mercury is publishing pictures of Pottstown's finest, the children in our schools. Every day a new room of school children will be shown here. Save the series, and enjoy them anew in future years.

Smiles and frowns plus a few of indifference all go to make a class picture as evidenced here by members of the Sixth grade at the St. Clair school. Shepherding this flock is teacher, Mrs. Isabel B. Rex. From left to right in the front row are James Sperow, John Fritz, Margery Sweda, Nancy Pace, Larry Wade, Dolores Fritz, Chester Kowalski and Ronald White. In the second row, left to right, are Patricia Cisick, Gary Axsmith, Joseph Kriczky, Ann Banks, Thomas Kocur, Ronald Seasholtz and

Leon Klerr. Third row, left to right, are Doris Koenig, Mary Ann Kuszyk, Theresa Cisick, Tina Cimbalista and Barbara Suchoz. Left to right in the fourth row are Barbara Salala, Kathy Ann Buchanan, Darlene Wensel, Patricia Haas, Donald Myres and Roland Brauch. In the fifth row, left to right, are Walter Fizz, David Almond, Thomas Sheperak, Melvin Wasylak, Shirley Adams and Anna Waidell.

Eisenhower Advised By Stephen Mitchell

DES MOINES, Sept. 19 (AP)—Democratic National Chairman Stephen A. Mitchell said today it is time for Gen. Dwight D. Eisenhower "to cast away either his principles or his running mate."

Mitchell made the remark at a news conference in commenting on the disclosure that U S Senator Richard Nixon, the Republican vice presidential nominee, had accepted about \$16,000 in the past two years from a group of Californians.

Gen. Eisenhower, GOP candidate for president, had declared in an address here Thursday, quoting a Biblical reference, that it is time to cast away what he termed "the corrupt" and others in the Democratic National Administration.

"I would like to see this thing thoroughly investigated by the press in the public interest," Mitchell declared. "The problem is Gen. Eisenhower's. This is going to hurt in a lot of places."

Man Pleads Guilty, Is Sentenced on Charge of Indecency

A man who pleaded guilty to exposing himself indecently to women in Pottstown was sentenced yesterday in Montgomery County courthouse, Norristown.

Edward Lee Bowman, 28, of East Second street, Norristown, who had been convicted on similar charges, once in Montgomery county, once in Chester county, was sentenced by Judge Knight to serve from 20 days to 23 months in the county prison.

(The wide range of the sentence would have the effect of giving him a long probationary period if released after serving the minimum sentence.)

Nine Plead Innocent In Bank Shortage Case

PITTSBURGH, Sept. 19 (AP)—Nine men, charged with violating the Federal Reserve act in connection with the \$1,800,000 shortage at the First National bank of Cecil, pleaded innocent today in Federal District court.

They are Frank Dicio, Mario Dicio, Mario M. Branciforte, Jacob J. Caplan, James R. Coleman, John C. Joseph, Michael D. Pihakis, Regis G. Tornabene and Joseph Miscevo.

The Government charges they received illegal loans from bank cashier John F. Wagner. He shot himself to death in front of the bank vault Sept. 25, 1950. Investigators found a shortage of \$1,800,000 after his death. Only \$800,000 has been recovered. The defendants all claim they repaid the loans.

TESTIFYING AGAINST Bowman

was Pottstown Police Sgt. Harold E. Hahn who arrested him on the afternoon of the past July 18, after getting two complaints from women.

Sergeant Hahn said the women reported that as they were walking on South Evans street, between South and Cherry streets, he drove by with his clothing disarranged and exposed himself.

Bowman pleaded guilty yesterday.

Judge Knight told Bowman, who has a wife and child, that a prison sentence would not solve his problem. He advised him to seek day psychiatric treatment after his release. "People of this caliber are sick," the judge declared.

Formal charges against him lived in Philadelphia until the death of her husband in 1945.

After his death, she moved to the

Woman Is Widow After Baby's Birth

MICHIGAN CITY, Ind., Sept. 19 (AP)—Mrs. Frances Lyons, 38, became a widow today only 24 hours after her second baby was born in a hospital from which her first baby vanished the past Fall.

Her husband, James Lyons, 42, year-old filling station operator, fell dead of a heart attack in a restaurant over a morning cup of coffee. He had just visited his wife and their new baby daughter at the hospital.

He had been telling friends that his wife had insisted that the new baby be kept beside her in her room in St. Anthony hospital.

Their firstborn, Lawrence Lyons, was only five days old when he disappeared from the hospital nursery the past Oct. 13.

Police followed up dozens of tips in a nation-wide search but none produced anything more tangible than an expectant father's report while he was waiting in a corridor of the hospital that day, he saw a woman in white walk out of the maternity ward with a bundle in her arms.

Speaker Urges Training for All in Politics

Training for prospective politicians was urged last night by an alternate delegate at the recent Republican National convention, at a dinner meeting of 139 members of the Executive and Foremen's club of Pottstown and vicinity in the YMCA.

Suggesting the training and pleading for everyone, particularly younger people, to vote was Richard S. Schweiker, electronic production manager of the American Encaustic Tile company, Worcester, Mass.

"New train ten years to become doctors and lawyers, and we send our young men to Yale and Princeton to prepare for careers, then we elect politicians without training at random," Schweiker said. "We don't use any system at all."

He also asserted, "The message in politics plays such a big part in industrial life today that everybody, especially the young people, should be interested in voting. Politics will control our entire economic future."

HE WARNED that if more interest was not shown in voting, Communism eventually would succeed the American way of life.

Schweiker said he marveled at the effect of television on politics while the convention was underway.

He forecast TV will change the political world considerably, because "the people at home will see everything that's going on" and they will have a better view of politics than they have had before.

Schweiker was introduced by Ralph Maack, vice president of the Pottstown Plating Works incorporated, which had a display of plated automobile and aircraft parts in the YMCA lobby.

Maack had been introduced by his father, Herman, president of the works. Another son, Herbert, secretary - treasurer of the firm, thanked Schweiker for his address.

PRIOR to Schweiker's introduction, Edith Head, employment counselor at the Pottstown office of the State Bureau of Employment and Unemployment Compensation, appealed to the club members to hire those employable but physically handicapped.

A collection totaling \$75.41 taken at the meeting will pay for one-year memberships for 14 elementary school pupils, 10 Junior High school boys or eight Senior High school pupils. Who will receive the memberships will be decided later.

The Rev. George A. Lineker, rector of Christ Episcopal church, delivered the invocation before dinner.

The executive committee of the club will meet at 7:30 o'clock Monday night at the YMCA.

to Aug. 15 were relatively small, with the prices for apparel actually declining slightly and those for home furnishings remaining unchanged.

But the average prices for other things edged up sufficiently to push the overall index to its new peak. Food went up .3 of 1 percent; rents the same amount. The items grouped in the bureau's fuel, electricity and refrigeration classification advanced .5 of 1 percent.

About 1 1/2 million persons working under labor contracts which are geared to the cost of living index will get raises as a result of its climb in the past three months.

MORE THAN 1 1/4 million of these are railway workers, who will get a 2-cent hourly pay boost. Others include nearly 200,000 northern textile workers whose wage rates are adjusted quarterly to fluctuations in the BLS index.

Many of these contracts are based on the bureau's "old series" index, computed under a slightly different formula. This index, in contrast to the modern one, declined in the July-August period. A .1 of a point drop put it at 182.3 percent of the 1935-39 average.

This slight drop, however, was not large enough to cancel out advances in June and July.

inets by sending two representatives from each home-room. The class president is in charge of these cabinet sessions.

The Senior class president has the greatest responsibility inasmuch he also heads the planning for the graduating class's New York trip and commencement activities.

Yohn, president of the Senior class this year, had served as class president during two previous years and is also a member of the high school drill team.

Aiding him as vice president will be William Detterer, son of Mr. and Mrs. Raymond Detterer, 819 North Evans street. Young Detterer's school activities show one year as member of a class cabinet, also membership on the basketball and drill teams.

The new Senior class secretary is Shirley Corbett, daughter of Mr. and Mrs. Alex Corbett, 32 East Sixth street. Her background includes one year as class secretary, athletic association representative and member of the color guard.

Sherwood Yergey, son of Mr. and Mrs. Oscar Yergey, 616 North Charlotte street was elected treasurer. For experience, he claims one previous year as class treasurer, plus added activities of playing in the band and running on the track team.

MARY JOAN CZARICK junior class' president has served two prior terms as class president, is a member of the golf, basketball and drill teams and has served on the Safety patrol.

Vice president will be Joseph Rettew, son of Mr. and Mrs. Vincent Rettew, 1407 Cherry lane. He is a member of the football, basketball and baseball teams.

Secretary Nancy Saltzer, daughter of Mr. and Mrs. Raymond Saltzer, 243 Beech street, shows one year as class vice president and two years as cheerleader on her activities record.

Marlene Lambert, daughter of Mr. and Mrs. Daniel Lambert, 30 West Seventh street, is the new treasurer. She served as class treasurer for one year and is also a member of the drill team.

Teitelbaum, the new Sophomore class president, claims dramatics and membership on the drill team for his activities.

Gail Pollock, daughter of Mr. and Mrs. Sidney Pollock, 245 Rosedale drive, will serve as vice president. She also is a cheerleader.

The new Sophomore class secretary is Gail Hurter, daughter of Mr. and Mrs. William Hurter, 835 North Washington street. She too, claims cheerleading for background in school activities.

Howie Bedell, son of Mr. and Mrs. Howard Bedell, 320 West King street, was elected treasurer. His activities include football, basketball and baseball.

The new officers will serve until June, 1955.

assembly (Russia did not permit East Germans to attend the assembly president is in charge of these cabinet sessions.

THE TAXI driver who drove Rev. Cooper and his minister companions into the Russia sector could not return with an empty cab to get them, so they had to walk through a big section of the sector to reach the elevated that would take them to the American zone.

"Suspenseful" was the Rev. Cooper's word for the walk. "The streets were virtually deserted," he said "If people came down the street toward us, they suddenly stopped talking." Some East Germans crossed the street rather than even pass the Americans.

The Rev. Cooper said, "The church is showing a remarkable revival of vitality. I don't mean to say that the doors of the church are being stormed, but the churches are more aware of their mission."

A problem in Germany is that the Lutheran church is closely tied to the State. For instance, most of the people in Hannover pay about \$2.50 a year in taxes to support the church.

This eliminates fund-raising headaches, but the Rev. Cooper said, "At the same time it squelches any feeling of stewardship."

Although there has been no widespread return to the church, he said, "The tragedy of war has helped people to come down to the bedrock of their faith."

PEOPLE FROM the Russian zone in Germany were "just hungry for some chance to talk to people they trusted from the West."

The germ-warfare charge, which many Americans regard only as an absurd piece of Soviet propaganda, has worried many Germans living under Soviet domination, the pastor said, and they seemed greatly relieved when Americans told them the charge was false.

On the other hand, the Rev. Cooper said, the American CARE packages and Marshall Plan funds have done much to counteract Communist propaganda.

Throughout Europe, he said, "The battle line is clearly drawn. There is the growing realization that one can't be a Christian and at the same time be a Communist."

The Rev. Cooper brought back with him a portrait of Muhlenberg given by the city of Einbeck to the New Hanover, Trappe and Philadelphia churches, and a CARE-like package of hand-made items from

GERMANS WHO WISHED TO EXPRESS

themselves as American aid.

WHILE ATTENDING the assembly the Rev. Cooper delivered the sermon in a church in suburban Hannover. This time he relied on his German, but spoke in English that was translated to the congregation.

The car scheduled to take the Rev. Cooper and his interpreter to the church didn't make it, so the interpreter got a motorcycle, and the Rev. Cooper rode in the "back seat" in his clerical garb.

He said a highlight of the assembly was the rally of nearly 70,000 Lutherans in Hindenburg stadium, with 1200 musicians (there were two men who relayed the conductor's time-beat to the ends of this orchestra), a Cross 30-feet high, and the mass singing of chorales and hymns, including the German version of "A Mighty Fortress Is Our God."

The young pastor said "I was amazed—it was tremendous—it just lifted you right out of the seat."

The Rev. Cooper also attended the post-assembly rallies held in Berlin and with two young pastors as companions, traveled to Portugal, Sicily, Italy, Holland and the Scandinavian countries.

100-Year-Old Will Cast First Vote Since 1935
PHILADELPHIA, Sept. 19 (AP)—One of the oldest voters in the country in the November presidential election is expected to be Warren Delos Hall, who will be 100 on March 1.
Hall said that this will be his first vote since 1935 when his wife died. He registered Republican but said he had voted in the past for Democratic candidates. "I never vote for the party. I vote for the man," he said.

Those attending were Mrs. Robert Boyer, Mrs. Edwin Garber, Mrs. Harvey Conrad, Mrs. Robert Conrad, Mrs. Rodney Schaeffer, Mrs. Donald Mackey, Mrs. Robert Callahan.

Also Mrs. Wayland Kulp, Mrs. Ralph Hartline, Mrs. Willard Eppenheimer, Mrs. Mabel Miller, Mrs. Lorah Rhoads, Mrs. Samuel Savely, Betty Stauffer, the guests of honor and the hostesses.

Stanley I. Davenport Jr., president of the borough Kiwanis club, W. O. Cressman and Dr. Paul Z. Hoffman will leave the borough tomorrow morning.

The three delegates will return from the convention on Wednesday afternoon.

Prayer for the Week

By REAR ADM. ROBERT W. HAYLER
U. S. Navy

ROBERT W. HAYLER

Deliver us, O God, from following the fashions of the day in our thinking. Save us from the worship of power, whether power over nature or power over men; save us from the worship of science, and grant that — giving thanks for the skill of the scientist — we may be preserved from the abuse of his discoveries. Help us never to confuse any creature with the Creator: man with God.

The Lord will hear when I call unto Him. — (Psalm 4:3).

This is the promise of the power of prayer—humbly and devoutly asking the All Highest for strength and guidance to live as His children, to make ourselves in all things worthy of His help.

Grace Church Group To Hear Speech on World Federation

The Rev. Edgar Cooper, pastor of the New Hanover Lutheran church, will speak about his recent experience in Germany to members of the Grace Lutheran church. The subject of the pastor's talk will be the Lutheran World Federation in Germany from which he recently returned. He also is expected to show films of his trip.

Arlene Houck, president of the group, announced that newly elected officers will be installed prior to the pastor's address.

The new officers are June Houck, president; Edwin Hollenbach, vice president; Jane Barndt, secretary; and Grace Meyer, treasurer. Five special secretaries appointed by the new president also will be installed.

Bible Class Brings Refinery 'Shirt-Sleeve Religion' Session

Chaplain Charlie Martin (center foreground) with Bible class in a refinery.

TULSA, Okla., Sept. 19—Every Thursday noon about 100 husky, overall-clad oil refinery workers grab their lunch pails and head for a session of "shirt-sleeve religion."

Their "church" is a Bible class conducted in the huge mid-Continent Petroleum corporation plant's carpentry shop by a fellow-employee, Charlie Martin, an ordained minister and Mid-Continent worker 27 years, has been chaplain to the 1600 refinery employees the past four years.

The Bible class is one phase of the company's "chaplain-

personnel counselor" program that has functioned since May, 1948. Mid-Continent officials say the program has been a boon to both employees and company. Backbone of the plan, they explain, is to apply Christianity and personal contacts in solving employees' work problems and cementing labor-management relations.

Martin, a former machine tool operator, says his equipment now is the Bible, advice and words of encouragement and reason. His goal, he says is to bring about hap-

piness and harmony among the workers.

"THE WORKERS are not required to come to me for any of their problems," he explains. "The program is conducted strictly on a voluntary basis. We do not invade a man's privacy."

Workers have come to Martin in such large numbers for counseling that the company last January provided him with an assistant, a boiler shop worker with past experience in church, YMCA and Boy Scout activities.

Lutheran Delegates To Go to Convention

Two Pottstown area men will be official delegates to the 18th semi-annual convention of The Brotherhood, official men's auxiliary of the United Lutheran Church in America, to be held today and tomorrow in Washington, D. C.

They are Jesse G. Houck, 1447 Sunset drive, and Leroy Seasholtz, Gilbertville, both representing the Pennsylvania ministerium.

Convention delegates will represent 76,000 members of local and synodical brotherhoods. The convention's main speakers will be Dr. Franklin Clark Fry, New York city, president of the ULCA, and Dr. Paul C. Empey, New York city, executive director of the National Lutheran council.

Haws Given Dinner By Savings Group

A testimonial dinner was tendered Joseph S. Haws last night in honor of his 40 years service as a director of the First Federal Savings and Loan association.

The dinner was given at the Brookside Country club at 8:30 o'clock. Francis W. Hunsberger, president of the association, acted as toastmaster.

Haws was presented with 40 red roses to symbolize his years of service.

The dinner for the former contractor was arranged by the board of directors of the association. About 50 directors, their wives and guests attended.

St. Peter's Parishioners Will Display 'Harvest'

Tonight, parishioners of St. Peter's Lutheran church, Stowe, will place vegetables, fruits, flowers and canned goods which they have gleaned during the week on display steps in the chancel.

The "harvest" will remain on display during the Sunday service for which the Rev. Arthur S. Hanson, pastor, will give a sermon, "Remember." After the Harvest Home service, cars will take the produce to the Good Shepherd home for the aged and orphans, Allentown.

Modern highways are built as much as 36 inches thick for heavy duty, but as late as 1934, a 10-inch concrete slab was thought sufficient.

Annual Harvest Rites Set for Tomorrow At Trinity Reformed

The annual Harvest Festival service, celebrating the gathering of the grain, vegetables and fruits of the field, garden and orchard, will be observed tomorrow morning at 10:45 o'clock at services in Trinity Reformed church.

The service will be in charge of the Rev. John B. Frantz, pastor, who will preach on the theme: "Each Seed After Its Own Kind." Litany of thanksgiving will be used by the minister and congregation at the close of the service.

Members of the congregation are asked to bring vegetables, fruits or flowers to the church today. All such symbols of the harvest received will be placed upon the church altar tonight by a committee representing the Unity Bible class of the Sunday school.

Under the direction of Lester Edelman, chairman, these members will arrange display. Assisting will be John S. Bleim, Herbert Quinter and Charles Heffner.

Each member of the Unity class has been asked to bring specific items for the display, in addition to those brought voluntarily by members of the congregation.

PRECEDING and during the service, pupils in all departments of the Sunday school will be taken to the sanctuary to view the display on the altar, and to have impressed upon them the lessons of man's dependence upon the soil, of the mystery of seed, soil and harvest and of the importance of rendering praise and gratitude to God for the blessings of the harvest.

Following the service, fresh fruits and vegetables in the display will be taken to the Pottstown hospital. Canned fruit will be taken to Bethany Orphans' Home, Womelsdorf. An offering for the "new bus fund" at the Home will also be received.

Knowland Speaks on Nixon Campaign Issue

HONOLULU, Sept. 19 (AP)—Senator Knowland (R-Calif.) said today he supposed the Democrats would make a campaign issue of money paid to Senator Richard M. Nixon by southern Californians—"but I feel it will be overcome."

The money "was in no sense used for his personal benefit," Nixon's California colleague said on his arrival here to speak at the Honolulu Republican kickoff dinner tonight.

"Part of this was for printing and mailing out copies of the Congressional Record," Knowland said.

Baptists Will Hear Program of Spirituals

Making their first appearance in Pottstown, the Middletown Gospel chorus will present a program of Negro spirituals tomorrow in the Second Baptist church at 3 p. m.

The musicale, to be given for the benefit of the Pottstown hospital building fund, is in charge of Mrs. Henry Williams, vice president of the Second Baptist hospital auxiliary.

This week's special program, the last of a monthly series, is expected to meet the local church's quota for the hospital fund, Thomas Carter, church secretary, announced.

The Gospel chorus includes 10 male singers and previously has appeared in Harrisburg, Pittsburgh and Philadelphia.

YWCA Board Committees Are Named by President

At a meeting of the Young Women's Christian association board Thursday Mrs. George M. Weber, president, announced the committees for the 1952-53 term.

Mrs. George M. Weber reported on the YWCA conference held in the building the day before, and Mrs. Raymond F. Blefgen explained the budget for the coming year. Miss May I. Campbell reported the progress on revising the constitution and Mrs. Henry T. Schneider reported on the World Fellowship discussion at the meeting on Sept. 17. The finance discussion held at the same meeting was reported by Mrs. Alex V. Tisdale, executive director.

THE PLANS for the year were put under way and the various chairmen will make reports at the next board meeting on Oct. 15. Mrs. Tisdale also reported an attendance in the building of 1396 during the Summer. She also reported that Mrs. William Eagle, Red Cross swimming instructor, had issued 55 swim cards during the Summer. The award was given to girls who can swim and float 60 feet in the pool.

Swimming is held every Monday night from 7 to 8 o'clock in the YWCA pool.

WOMEN'S ACTIVITIES

Summer Activities Reviewed by Group At Nurses Meeting

A review of the Summer months' activities was held by members of the Chester Valley Community Nurse association at their meeting recently in the nursing center, Whitford.

The vice president, Mrs. Thomas McIlvaine, presided, assisted by the secretary, Mrs. Harold L. Butner.

The nursing convention in Atlantic City, N. J., the recent Ludwig's Corner Horse show, of which the association is a beneficiary, and the local health work during June, July and August, all were covered in the review.

THE REPORT on the convention was given by Mrs. Joseph A. Maloney, corresponding secretary; Mrs. Howell L. Seiple and Miss Sarah Thomas. Mrs. W. H. Dunwood Zook, Mrs. Roy A. Rogers and Mrs. Edward G. VonTress reported on the Ludwig's Corner Horse show.

During the Summer months there were 568 visits made by the nurses, according to a report made by Miss Warner. Patients driven to clinics numbered 11, two of which were taken by a volunteer driver, Mrs. Butner.

Mrs. McIlvaine called upon the new chairman of the educational committee, Miss Isabel K. Acker, who gave a brief resume of the newly organized National League for Nursing.

Members present were: Mrs. McIlvaine, Miss Acker, Mrs. Kensi Bell, Mrs. Butner, Mrs. George Chandler, Mrs. Landis R. Heller, Mrs. Walter W. Leese, Mrs. Maloney, Mrs. A. J. Ostenhimer 3d, Mrs. Rogers, Miss Thomas, Mrs. VonTress, Mrs. John R. Young, Mrs. Zook, Mrs. C. W. Schreiner Jr., Mrs. Gilbert Edge, Mrs. Charles E. Platt, Mrs. Henry White, Mrs. William Balderston and Mrs. Joseph Swanenburg. Miss Joan Carpenter was a guest.

Meeting Place Is Changed By Deb-Aide Auxiliary

The meeting of the Deb-Aide auxiliary of Pottstown hospital, scheduled for 3 o'clock in the Pottstown hospital nurses home tomorrow afternoon, has been changed to Pottsgrove Manor at the same time.

This was announced last night by representatives of the auxiliary.

Officers will be elected from the following slate:

Claire Bush and Judy DeSantis, president; Dorothy Rosewater and Theresa Genery, vice president; Dale Lang and Lucille Elias, recording secretary; Mary Welsh, Nancy Seltzer and Lorraine Bohner, corresponding secretary; Julia DeMeter, Linda Drumheller and Georgeann Jacobs, publicity director; Judy Pinkerton and Joannette Tascione, treasurer; and Pat Rose historian.

Correction

It was erroneously reported in yesterday's issue of The Mercury that clothing for the children participating in the Doe club fashion show were supplied by the Tiny Tot shoppe. The clothing was supplied by the Punch and Judy shoppe. Mrs. Betty Friend, proprietor.

The leaders are: Mrs. Sarah Ann Davidheiser, Mrs. Mary Jane Babb and Mrs. Elizabeth Unnebery.

Area Lutheran Women Plan to Attend Convention

At least 18 women from Pottstown and more from the surrounding area are expected to attend the Triennial convention of the Women's Missionary society of the United Lutheran church of America Sept. 20 to 24 at the Bellevue-Stratford hotel in Philadelphia.

The affair is held every three years. Missionaries from all parts of the world will be present, as well as nationals—those who are on furlough from foreign mission work.

Of interest to Pottstown women is the fact that Mrs. Sidney A. Kepner, a member of Emmanuel Lutheran church and a past president of the Women's Missionary societies of the United Lutheran church of America, will speak.

A CONVENTION dinner will be held Saturday night in the ballroom of Town Hall at 7 o'clock, with Dr. Everett Mitchell, speaking. A tea will be held at the Philadelphia Deaconess home and in the evening on Sunday at the Bellevue, International Night will be observed, with one of the guests being Sister Gladys Reidenouer, formerly of Pottstown.

Others who will be highlighted at the affair are the Rev. Frederick Nolde, dean of the graduate school of the Lutheran Theological seminary and school of Philadelphia and the Rev. Emil E. Fischer, president of the Pennsylvania Ministerium, and father of the Rev. Theodore L. Fischer, who until recently was pastor of Transfiguration Lutheran church in Pottstown.

Delegates who will attend from Pottstown are Mrs. Luther A. Krouse, Mrs. Clarence Fry and Mrs. H. Henry Burdan. Visitors from town will be:

Mrs. Kepner, Mrs. Kenneth Nichols, Mrs. Alton Peterman, Mrs. Edna Shinnhouse, Miss Freda Gloss, Mrs. Walter Pierce, Miss Geraldine Stricker, Mrs. Laurence Belman, Mrs. Warren Bealer, Mrs. Leon Swavely, Miss Stella Swavely, Mrs. J. Harold Yocom, Miss Hazel Sotter, Mrs. Walter Sotter and Mrs. Norman Yocom.

Also attending are Mrs. Alton Wedde, Limerick, and Mrs. Claude Wagoner, delegate, Spring City.

Executive Board Slates St. Clair Flower Show

Mrs. Leander Gible, president, entertained members of the executive board of St. Clair Parent-Teacher association Wednesday night in her 62 South Evans street home.

Program chairman, Mrs. J. Emond Fritz, outlined the program for the coming year. The first open meeting of the PTA will be a flower and vegetable show held in the activity room of the school next Tuesday night.

In addition to those named on committees, Mrs. Michael Sweda, budget and finance; Mrs. Joseph Pinkos, membership; Mrs. Paul Yerger, hospital, members present were: Mrs. Andrew Katch, Mrs. Roland Brauch and Mrs. Paul Cimbellista, 411 South street, at whose home the Oct. 15 meeting will be held.
